

**1) Ground rules**

- **Do not lie-** if you fall behind, express it and we can work on a solution
- **Communicate and check-in-** at minimum, twice weekly check-ins, set goals for the week
- **Collaborate positively-** constructive criticism, share any ideas
- **No half-assed work**

**2) Things we don't want to happen**

- **Procrastination, we don't want to fall behind on our own timeline.**
- **No lying**
- **No ghosting**

I function best in groups when:

(L.A.) I function best in groups when we have good communication and are able to collaborate off one another

(L.A.) I really hope our group can plan a good timeline for us to stick by to increase productivity, and ensure accuracy in what we want our final product to look like.

(A.M.) I function best in groups when we communicate, set goals, and collaborate.

(A.M.) I really hope our group can finish the assignment in advance, so that way we have time to tweak it where needed.
